

**2<sup>ND</sup> INTERNATIONAL  
CONFERENCE OF THE  
PORTUGUESE ASSOCIATION  
FOR CELLULAR AGRICULTURE**

**SPONSORS BOOKLET**

# ABOUT CELLAGRI PORTUGAL

**CellAgri Portugal** is an association focused on advancing cellular agriculture in Portugal. We aim to foster educational, scientific, technological, and industrial activities while considering social, economic, and environmental aspects. The association creates collaborative networks, promotes knowledge sharing, showcases innovative research, and identifies businesses in the sector.

The second international conference of **CellAgri PT** will focus on **cellular agriculture** topics such as **cultivated meat** and **precision fermentation**, and feature renowned experts like **Elliot Swartz (GFI)**, **Marianne Ellis (Cellular Agriculture UK)** and **Sebastian Rakers (BLUU Seafood)** The event offers engaging panel discussions, captivating keynote lectures, and informative presentations, providing attendees with the opportunity to stay updated on the latest advancements and connect with esteemed researchers and industry professionals.
